

Are you a looking to gain experience supporting children during the summer holiday? Are you a creative, friendly, open-minded person?

Caudwell Children are looking for volunteers to help with our summer holiday project!

These Sessions (Holiday and Food - HAF) enable disabled children to access fun, inspirational and challenging leisure activities that build life skills and promote independence whilst providing carers with vital short break respite.

Volunteer Responsibilities include:

- Assist Caudwell Children staff member(s) in running the short break activity sessions
- Help to ensure all children are safe during the activity sessions
- Support staff members with planned activities
- Participate in setting up an activity and helping with the set down
- Communicate and work with the children to ensure they have fun

This role takes place during August 2024. We are looking for volunteers that can commit to 8 days for this role – full training and support will be provided.

Over 18's only can apply for this role.

Current areas we are enrolling: **Newcastle Under Lyme and Congleton**
